The February 29, 2012 meeting of the Coastal Committee was called to order by Board Chairman Philip Watt.

Chairman Watt called on Mark Smith, Vice Chairman of the Coastal Committee, due to Chairman Phyllis Johnson's absence.

Mr. Smith stated that Spud Woodward, Director, Coastal Resources Division, was attending a meeting at the State Capitol, and that Director Woodward would present the Triennial Report on the Georgia Coastal Management Program upon his return, possibly during the Commissioner's Report during the full Board meeting.

There being no further business, the meeting was adjourned.
